## Race 4 - 1:55PM Bertocchi Simply The Best Handicap (1400 METRES)

Loved the trial of #8 RUNNING BY prior to a very good first up run. Wasn't suited by the pattern on the day on the Lakeside but found the line in great fashion. Up to 1400m is a positive and she is clear top pick here. #6 RUMBLED AGAIN was good first up behind Is It Me. The map isn't favourable here but she will be running on and is a chance. #4 LONGTIMEDREAMING is in great form but happy to risk stepping up in grade.

#8 **RUNNING BY** (Win)

## Race 4 - 2:12PM Commercial Hospitality Services Handicap (1200 METRES)

The two trials this time in from #10 SHE'S GREYSFUL have been fantastic. Given a quite hit out at the first and made a lot of ground under its own steam in the second and was very impressive. Think she can lead or sit handy here and I don't think there is a lot of depth to the opposition. Keen. #4 HALLSTATT was going very well prior to a disappointing run last time out. If you forgive that run it looks the main danger. #7 EXALTED DAME is a super consistent horse that was only narrowly beaten by a good horse last time. No doubt it runs well too.

## Race 8 - 4:40PM PRECISE AIR HANDICAP (1400 METRES)

This looks quite a strong and even race on paper. #6 PRESS DOWN is the one that most will find. Three 2nds this prep have all been full of merit, just keeps finding one better. The horse is going very well though. #2 JACK'S ON ICE trialled fantastically at Balaklava on 7/12. Sat handy and sprinted sharply when slipped some rein and moved very well doing so. His form last prep was good for this and based on the trial I think there is a lot more to come from him. He should go forward too and get a great run. #1 CELSIUS STAR is racing consistently this prep and has to be a winning chance. #7 SHOOTOOSE has won its last two in great style but happy to risk here stepping up in grade in to a competitive race.
