02/03/2024 FLEMINGTON

## Race 1 - 12:15PM Resimax Group Plate (1100 METRES)

Rail out 2m with a slight Southerly breeze. Monitor track pattern throughout the day if playing, looking for any on speed pattern given the wind.

We kick off with a field of 5 mares down the straight over 1100m. CINDERELLA DAYS looks the leader here and she does look a major player. This mare is coming off a Cranbourne trial win where she beat home the likes of Bella Nipotina, Passive Aggressive, I Am Unstoppable and Imperatriz. Loved her work there and she is a very classy horse on her day. Tipping she's in fantastic order for Begg at Cranbourne and if she replicates her best, she's clearly the horse they have to beat. Let's not forget, this mare ran third beaten by In Secret this time last year by 0.6 lengths. She then ran fourth in the Toy Show in the Spring. Loved her trial and she's on top to kick things off.

No doubt SANS DOUTE is flying and the hardest to beat. She's looking to win three in a row but not sure she's beaten much in her two recent starts. She has the big tick of winning at this track and trip down the straight last time.

## **Race 10 - 5:55PM LIVERPOOL CITY CUP (1300 METRES)**

Speed from out wide and a high pressure race to finish things off. WHINCHAT has led his last couple and draws the outside. He will likely follow COAL CRUSHER across and may take over. COAL CRUSHER adds pressure. CAESARS PALACE can be handy fresh from an inside barrier without surprise. PHEARSON is another with speed that is first up.

#6 NEW ENERGY is here with intent after some serious work at Cranbourne. Jumped out over 1200m at Cranbourne and charged home. He'll be flashing late and looks a scary horse. Only won the one race but comes from Group and Listed French form and has a good career record. Barrier 3 for Collett. Looks an each way play at near double figures.

Want to lay WHINCHAT but too scared of a leader in the last with a big fitness edge on many. Went looking for KOVALICA but looks too short. JMAC factor. Different set up for COAL CRUSHER now who had a perfect run last start sucking behind Malkovich.
