

THE TRIAL FILES

01/08/2024 HAWKESBURY

The new racing season is upon us. Thank you to all our followers over the 23/24 season. Hope we can continue to build, and keep finding plenty of winners into the 24/25 season.

Race 7 - 4:10PM LANDER TOYOTA BENCHMARK 64 HANDICAP (1300 METRES)

On a Soft 5 with a good forecast today at Hawkesbury. Not a huge amount of speed for this Benchmark 64 over 1300m. Maybe I AM MAMWAAZEL from VALIANCY and MY TRUTH.

Disappointing a few have come out that had no chance and we're faced with deductions and a lower price about our selection here. That said the \$2+ about #8 HOUSE OF CARDS will still do us fine. This horse has always shown the ability and his ratings suggest he wouldn't have to improve to win a race like this. But we're tipping this son Exceed And Excel has improved off the break and no doubt the gelding operation has played a part in that. Loved his recent trial win at Randwick, extending very nicely to win. Berry stays on him off that trial, he's drawn perfectly in barrier three and will be very hard to beat today.

#6 PRESIDES looks the key danger with race fitness on his side. Also drawn nicely in barrier 2.

SELECTION:

#8 HOUSE OF CARDS (WIN)
