## Race 5 - 2:40PM INGLIS NURSERY (1000 METRES)

Have #2 BLUE STRATUM on top but not getting carried away with betting recommendations. Back around a bend, albeit Sydney direction. He did a bit wrong last time, not knowing where he was in the middle of the straight. He started \$3.30 there and clearly has ability. That brings #3 ODINSON right into the mix.

This colt ran the fastest final 8,6,4, and 200m of the Maribyrnong, charging home from well back.

The value might be #7 DESIROUS. This filly has had one trial there, running second and moving nicely. The horse that won that trial since came out and won a heat over 900m by close to 4 lengths. DESIROUS beat home TOKYO LADY in that trial and She came out and won a WF trial after. Think she is good value at \$25.

### SELECTION:

#7 DESIROUS (small speck)

## Race 8 - 4:40PM RACING AND SPORTS RAZOR SHARP HANDICAP (1200 METRES)

Good speed engaged and a solid tempo expected. INSURRECTION and FROSTY ROCKS up there from RECOMMENDATION. Interesting race. INSURRECTION and #5 RECOMMENDATION come through the Warra but they also contested the BM100 on November 7 where 5 of them come through.

RECOMMENDATION ran second in the BM100 beating home all other rivals and he meets them all better at the weights. He's also the one who is better suited over 1200m. Blinkers back on and a major player. Dragonstone came from that Warra and won well last weekend.

#12 PERFECT THOUGH is fantastic each way value and can be charging late. Loved the trial over 1045m and it was his only official trial leading in, suggesting he'll be fresh enough to make his presence felt. He is a very talented horse and he's been dismissed a bit in this market. Barrier 4, tongue tie on and a class horse with 53kg. The fact they accepted for a 1000m race is a good sign that he'll be sharp enough.

FROSTY ROCKS trialed very well on November 16 over 1200m. He settled outside lead and kicked clear. Strong enough through the line. Trial over same distance as the race so fitness shouldn't be an issue. Rachel King rode in that trial and not sure why she's not riding today. Parr on definitely no negative however.

Think INSURRECTION is too short up to 1200m RECOMMENDATION can turn the tables and should be closer in betting. #12 PERFECT THOUGHT great value.

#12 PERFECT THOUGHT (each way)

#5 RECOMMENDATION (win – small)
