

# THE TRIAL FILES

23/2/2024 CANTERBURY

## Race 1 - 6:00PM RANVET HANDICAP (1100 METRES)

Rail in the True here at Canterbury and we're expected to be on a slightly rain affected surface. We kick off with what we expect to be a very strong form race.

#4 GATSBY'S was accepted for the Silver Slipper, but in True Waller fashion, he's ended up here with McDonald to ride. This colt by Snitzel has trialled twice at home and looked very good. His latest trial was a nice win, cruising up over 900m. McDonald rode this horse in his first trial and knows him well. He maps to get a perfect run in transit, just behind the leading pair, off fence and looks the horse to beat.

#7 ROSELYN'S STAR looks the danger. Rawiller stays with him after a Warwick Farm trial on February 12 and the pair looked very good on that occasion. One trial this time in is the query but he has tactical speed, can work across and settle outside lead and run a very good race. Could back them both for a profit but tipping #4 GATSBY'S on top.

The other big watch is #11 SILMARILLION at a price. Might not be her race tonight, mapped to be back from 15 but loved what she did in her Warwick Farm trial, working between runners and sprinting well. She was strong to the line there and looks to have ability. The stable aren't going as well as they usually do but they do fire come carnival time. Zac Lloyd knows this filly well. Watch for her, especially going forward.

#15 MIAKROW worked home well down the outside in his second trial at his home track of Warwick Farm. Nice barrier and should be strong late.

### SELECTION:

**#4 GATSBY'S** from **#7 ROSELYN'S STAR**. Primary bet #4, save/small profit if #7 wins.
